This is a sample abstract for LEAP2016. Preparation instructions are given below.

1. Abstracts should be written in English and fit on **one A4 page** without the page number. The abstract should be submitted in PDF format to **leap2016_Support@riken.jp**.

2. Abstracts should be formatted for **A4 size** (210 × 297 mm, i.e., 8.268 × 11.693 inches). All text and figures must fit within **top, bottom and side margins of 2.5 cm**. Use 11 pt **Times font or a similar font such as Times New Roman** throughout the abstract.

3. The title should be typed in 18 pt boldface font and centered. If necessary, use a second line, single-spaced just below the first.

4. The names of the authors (11 pt boldface), affiliations & addresses (11 pt), and the corresponding author`s e-mail address (11 pt) should be written before the main text.

5. The text should be single-spaced and the first line of each paragraph should be indented by 3 spaces.

6. References in the text should be given by numbers in square brackets [1, 2].
